The reply to Zero Hour Note No. ZH/XIII-690 dated 22-3-2012 regarding Electrical power connections to the drinking water supply schemes are disconnected. Drinking water problem took place due to the disconnection of power. Hence, requested the Government to take necessary action for restoration of power supply to the schemes is as follows:-

In Wardhannapeta Constituency , electrical power connections to drinking water schemes of some villages were disconnected in March 2012 due to pending electrical charges. All the disconnected power connections were restored through DPO, Warangal and the District Collector, Warangal. Now, there are no such problems in Wardhannapet constituency.
